Dear Homeowner(s),

It's that time of the year to have the palm trees trimmed in your backyards. This year, GLS Landscaping can trim the trees for you. The cost to trim a Mexican Fan Palm Tree or Queen Palm Tree is \$35.00 per tree and \$55.00 per Canary Palm Tree. Trimming will begin Mid June 2018. For those homeowners who have not had their trees trimmed in the last few years, the price is higher. Please check with the on-site office for pricing.

Also, please keep in mind that the Landscape Committee will be inspecting the property to insure that ALL palm trees are trimmed. It does not matter what company trims your palm trees but they MUST be trimmed to comply with the Rules and Regulations.

If you want your palm tree(s) to be trimmed by GLS Landscape, please fill out the bottom portion of this notice and mail to **3000 N. Hermosa Drive, Palm Springs, CA 92262**, along with your check/money order or drop it off at the on-site office. Please make checks/money orders payable to "Sunrise Palms HOA". You have until May 28, 2018 to return the bottom portion of this notice, along with your method of payment.

NOTE: Please provide a clear walkway for workers to walk in and out of you backyard and clear away any objects from under your palm tree(s). GLS Landscape and Sunrise Palms HOA will not be responsible for any damages to belongings that have not been moved prior to trimming.

Should you have any questions regarding tree trimming please feel free to call HOA on-site office.

Thank you.

Sincerely,  
Justine Boyer  
Assistant Manager at Sunrise Palms
