Please Circle what is to be replaced: **Windows** **Sliding Door** **Screen Door**

Name of Installation Company: _____

Installation Contractor's name: _____

CA contractor's license #: _____ City of PS business license #: _____

All homeowners replacing windows or sliding doors are required to obtain a city permit. All permits are obtained at homeowner's expense. Upon completion of the work, homeowner must submit a copy of the signed-off final inspection permit with the HOA office. It is the responsibility of the individual homeowner to disclose all modifications to future buyers of the unit.

Approved colors for **security doors** are black, brown or the stucco color. **French doors style sliders** with grid lines must be within the dual glass. Approved colors for sliders and windows are white, almond or aluminum.

Fees: A \$15 HOA inspection fee is to be remitted with this application.
