

- ❖ The Summer Pool Schedule begins June 1st until September 30th 2021.
Spas 1,4,5 and 8 Will be Heated as well as Pool 5 will remain heated as needed. Your nearby pool will heat to a comfortable temperature by itself and the summer heat.
- ❖ If you have any suggestions or concerns the board is always happy to hear them. Please be sure to sign and give them a way to contact you with any questions they may have.
- ❖ It is Palm Tree trimming time. As soon as the board finalizes the contractors, they will be sending out the contact information if you wish to hire that company to do the work. Either way all Palm Trees in your back yards must be trimmed annually at your expense. This helps us control rats and other unwanted animals as well as decreases the weight and fire danger the dead branches.
- ❖ The North East area of the complex will be getting new roofs starting this month. If you are in that area you shall receive a letter notifying you of the date so you can be sure all items are away from the roofs due to possible overspray of the roofing materials.
- ❖ Good News !! The board approved to have the surface of the tennis courts repaired and purchased new wind screens as well. The start date has not been set as of yet but we will let you know soon.
