

- * Please mark your calendars we will be having a Town Hall meeting January 22 at 11:00. All homeowners are encouraged to attend. This will be a good chance to meet all your neighbors and a chance to meet the board members. It will all advise you as to what all is going on in our community.
- * Our next condo meeting will be November 12 at 2:00pm
- * Just a reminder that washing your car is not permitted in our community. We cannot afford to waste the water.
- * Now is the best time of year to trim your bushes in your backyards.
- * The State of California and the City of Palm Springs has a new mandate coming up where all "Organic Waste" must be separate from other trash. You will be hearing more on this later. However, please start talking to your gardeners now that they **CANNOT PUT YARD WASTE** in the dumpsters! There will be hefty charges to us if this happens.
- * Valerie Camarillo is our new on-site Assistant Manager for Sunrise Palms HOA. Please keep in mind she is new to our community so be patient with her. If you need to contact her, please be sure to include your address and email for a quicker response.

Her email address is vcamarillo@desertmanagement.com

Welcome to: Valerie Camarillo !
